Kevin M. Altieri, DDS, FICOI

Dr. Kevin Altieri graduated from Cal Farley's Boys Ranch in Amarillo, Texas. He is the first alumni from his high school to become a doctor. He pursued his undergraduate studies at West Texas State University, graduating with his Bachelor of Science degree in Biomedical Science in 1987. He continued his education at Baylor College of Dentistry, where he earned his Doctor of Dental Surgery (DDS) degree in 1992. Dr. Altieri has practiced in the Fort Worth, Texas, area since 1994. Each year Dr. Altieri completes over 100 hours of continuing education in dentistry, emphasizing sleep dentistry, dental implants, and reconstructive dentistry. He has received advanced training through various residencies and study clubs, including a Hospital Dentistry Residency at the VA Hospital in Temple, Texas, the Spear Study Club, the Center for Advanced Dentistry in Dawson, and the Pankey Institute for Advanced Dentistry. He is also a Fellow in the International Congress of Oral Implantologists, and completed a study in preceptorship implants at the University of Texas Health Science Center in San Antonio. Dr. Altieri has been named the Top Dentist in Fort Worth and as Top Doctor by Texas Monthly for the past 14 years.

The course will cover the following:
An overview of normal human sleep and its systemic consequences. The medical model for diagnosis and treatment of sleep disordered breathing (SDB), including details of the medical diagnostic procedure polysomnography (sleep study) and the treatment modality: Continuous Positive Airway Pressure (CPAP) machine. Dental screening for SDB, including questionnaires and dental, head and neck examination. A literature-based view of the design, effectiveness, and potential problems with oral appliance therapy. Home monitoring devices for initial screening and subsequent monitoring of mandibular advancement device (MAD) therapy. The relationship between SDB and GERD, bruxism, and TMD — pathophysiology and management. A no-nonsense view of surgical options and predictability. An introduction to pediatric sleep disorders and related comorbidities. The philosophy and realities of introducing dental sleep medicine into practice.

Be sure to reserve time and stay for an enjoyable lunch at the famous **Raven's Grill**. For green fees and reservation information contact **The Texas Star Golf Course** at 817-685-7888.
